Cassowary “Cecil” turns 40 at Zoo Atlanta! He is given a beautiful fruit cake!

Photo by Gabe Andrie

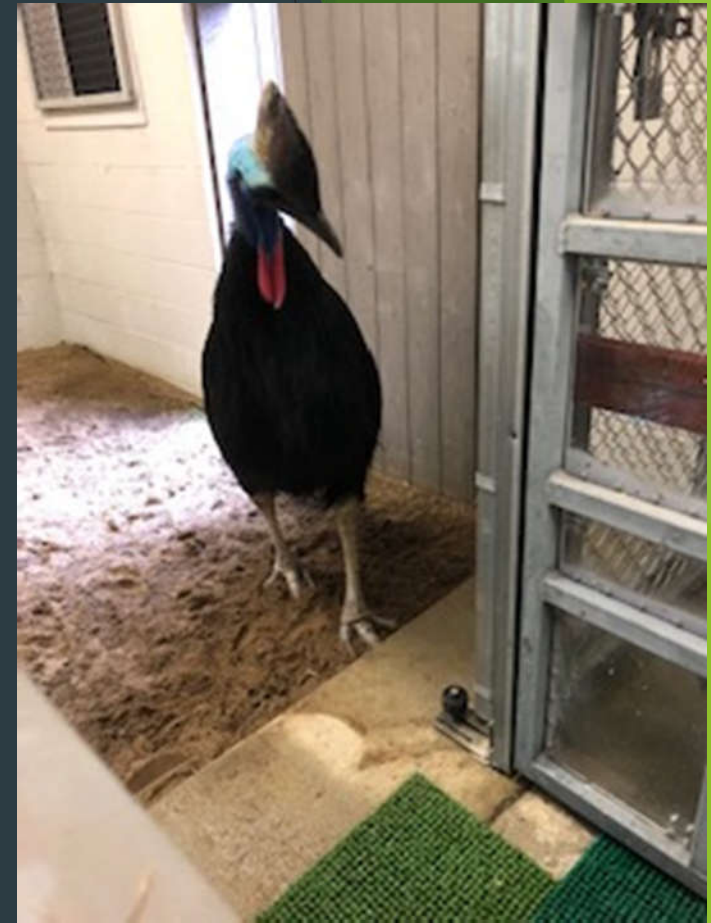

Canister that is repurposed - rocks added to make it a rattle. Attached to a fence line as a forage container or float in a pool.

Wild birds stealing food?
Buckets can be secured to
fence line. Cassowary adapting
to new food presentation.

Photos by Lauren Butler, Bird keeper II, Nashville Zoo

Cassowary “Sy” contemplates chute training while “Marge” accepts grapes and gentle pokes with a blunt needle as part of a training program.
